Wanted A Music Teacher

We need, immediately, a local teacher in every community to co-operate with us and assist us in carrying on our work by the University Extension Method. The pay is good, the work light and will not interfere with your other duties. It may lead to an opening in our studios in Chicago, where we necessarily employ a great many assistants on varying salaries in our different departments.

Do you want this position?

If you are already one of our students, we shall be doubly glad to have you assist us and to give you the opportunity of increasing your income.

We have been advertising our University Extension Correspondence Courses in Music Lessons for teachers and students, by Sherwood, Rosenbloom, Protheroe, Clarence Eddy, Frances E. Clark and other members of our faculty, in *THE STUDENT* and other magazines for many years. Our work has become universally known.

We have been in business ten years and now occupy our own new beautiful building with over 20,000 square feet of floor space. We have enrolled over 100,000 students. A larger number of successful students are reciting to us every week through the Postoffice than are in personal attendance at all the other combinations of Churches put together.

Our all-star faculty, our endorsements from the greatest musical authorities in the world, our thousands of graduates, the high character of our work, the prestige of our Diplomas and Degrees are bringing students from all parts of the country.

You may have seen our advertisements
from time to time, and wished to take

advantage of the training our courses offered, but may not have been able to do so for financial reasons. There is now an opportunity for you to secure this training free—and earn money besides.

From now on we expect to arrange each year to bring a limited number of our most promising and successful teacher students to Chicago, and give them the advantage of attending Grand Opera, listening to Concerts, Lectures, Recitals, etc.—**all expenses paid.**

We only require one teacher in each community, so fill in and mail the attached Coupon at once, as this is an opportunity to turn your talents and spare moments into Ready Cash.
